Dear Eric,

Would you be interested in representing the ANS on the occasion of Dr. Wrighton's inauguration? We do try to be represented when possible and our early date of origin (1858) among learned societies will put you near front.

Let me know at your convenience.

Sincerely yours,

Dear Les:

Thank you for asking me to represent ANS at the Wrighton inauguration at Washington University . I am ready and willing to march. Evelyn and I were planning to go because Wrighton is from my alma mater (MIT).

Believe it or not, I'll be ahead of the representative of M.I.T. in the procession.

Does ANS have any ribbons to wear or do I just do normal cap and gown with cape colors?

Sincerely,

Eric P. Newman
